Teeth That Fit.

That is the kind we make — teeth that fit the mouth perfectly and look as though Nature made them. It takes skill and experience as well as good tools to make good teeth. We have all three at our disposal.

Vitalized Air — for killing all dental pain — is used only in our dental rooms.

$8 00 FOR BEST TEETH

is all we ask—and we warrant each set for 10 years. Our $5 sets are the usual $8 sets of other dentists.

Attention!

I shall receive in the last week in March a car load of

Western Horses

Weighing from 1200 to 1400.

These horses are bought by J. H. Parker, expressly for Mr. Rogers direct from the farms they are raised on. Have never been stabled in Chicago, Buffalo or Boston, thus avoiding the danger of distemper in large stables. This makes 300 horses I have sold since April 1, 1900. Have also handled 50 second-hand horses received in trade. This is a good showing for my first year in Bangor.
