# REPORT OF SELECTMEN AND TOWN MANAGER

To the Citizens of Carmel:

There were three town meetings held during 1992. First was the annual meeting in March, when we voted by secret ballot for the municipal officers for the first time. Voting was held at Golden Harvest Grange Hall on the Saturday prior to the balance of the town meeting on Monday evening, when the money articles, etc. were voted on. It seemed to work out quite well and saved some time at the evening meeting. A special town meeting was held in June, mainly to vote on a Land Use Ordinance, Shoreland Zoning Ordinance, and a Cemetery Ordinance. The Land Use Ordinance was defeated, and the Cemetery Ordinance was not approved, BUT the Shoreland Zoning-Ordinance, adhering strictly to State Minimum Standards was approved and accepted by the voters. An article to appropriate \$700.00, from surplus, for recreation field maintenance and operating, was approved and accepted. In September another special town meeting was held. The Cemetery Ordinance was re-submitted to the voters, with some pertinent changes, and was approved and accepted. Some changes to our Zoning Ordinance and/or Subdivision Ordinance were prepared by the Planning Board, voted on, and approved by the town meeting. A request for \$4,900.00, from surplus, to do a study of the Horseback Road Gravel Pits, was approved by the voters. The Ordinances approved, and changes to our existing Ordinances, enable the code enforcement officer to do his job more efficiently .

The Town Reports were delivered by the Boy Scouts, for the March meeting, and a \$100.00 donation was given to their Troop. Notices of the special town meetings were sent by mail.

Fees accumulated to the Town from the Municipal Agent and Town Clerk were as follows: Automobiles \$3,176.00; Boat Excise Taxes and Agent Fees \$2,262.20; ATV Agents Fees \$37.00; Snowmobile Agents Fees \$127.00; and Town Clerk Fees \$1,685.20.

Our contract for septic sludge is still with Frost's Disposal, of Hermon. The cost is presently \$1,600.00 per year.

Raymond Smith is still under contract for rubbish removal. He transports it to PERC in Orrington. The annual cost for his services in 1992 was \$34,026.60. His three year contract expires December 31, 1993. He has done, and is doing, an excellent job for the taxpayers of Carmel.

Troy Richardson, of Hermon, was the successful bidder to provide the mowing and trimming at the Recreation Field Complex. The cost was \$3,074.00.

Teresa Bolstridge, of Carmel, planned and supervised the summer recreation program which was held at the recreation fields. There was good attendance. The

youngsters enjoyed the field trips that she planned for them. She was paid \$2,000.00 for the six week program.

The Town Equipment Fund had a total of \$77,984.08 in it when the books closed on December 31, 1992. The Fire Department is looking to purchase a replacement for one of its trucks sometime in the near future. The Selectmen felt that now was a good time to ask for additional funds, by taxation, to help them toward their goal (See Article #15 in the Town Warrant). The Fire Department and Ambulance Squad provide a valuable service to the townspeople and we certainly do appreciate their dedication. We also want to thank the Auxiliary and the Junior Firemen for all that they do.

Carmel Field Day has been growing in popularity each year. It is usually held on the first Saturday of August. The chairperson this year will be Candy Devlin. Please confirm your plans with her so that duplication of planned activities will not be a problem. Everyone is invited to participate, so get involved and join in the fun.

The Recycling Committee has sort of fallen by the wayside, so the selectmen have decided to try and get a program started. They are asking for \$12,500.00 (See Article #10 in the Town Warrant) to buy containers for each household and initiate a curbside pickup, at least once or twice a month. Think seriously about it. The State says we MUST recycle.

Brian McCarthy, of Stetson, is our code enforcement officer and plumbing inspector. A permit is needed before you begin any construction or repairs. He will be available at the town office on Monday's from 12:30 to 4:00 p.m. and on Monday evenings from 6:30 to 9:00 p.m.; on Wednesday's from 12:30 to 4:00 p.m.; and on Friday's from 9:00 a.m. to 4:00 p.m..

We extend our thanks to all the Departments, Boards, and Committees who have worked, voluntarily, throughout the year.

The Town Office is open daily from 9:00 a.m. to 5:00 p.m., Monday through Friday, and on Monday evenings from 7:00 p.m. to 9:00 p.m., unless it is a holiday. The Selectmen meet each Monday evening at 7:30 p.m.. If you plan to come in to discuss a particular subject, please call the Town Office by Friday afternoon so that you may be put on the agenda.

Dogs are subject to be licensed as soon as they become six months of age. New licenses are due and available at the Clerk's office on January first of each year. You must have proof of rabies immunization and certificate of sterilization or spaying with you in order to obtain the dog license. The metal dog tag issued this year must be kept on the dog and you will receive a yearly sticker to place on it (similar to a motor vehicle plate). Isn't that an improvement - or a money saver ???!!!

The Clerk's office is open daily, Monday through Friday, from 9 a.m. to 5 p.m. and on Monday evenings from 7 to 9 p. m.

Glennis A. McSorley Town Clerk

## AMBULANCE SERVICE REPORT

To the Citizens of Carmel:

Another year has gone by and, as usual, Carmel Ambulance Service has been busy. In 1992, we had one of our Ambulance Attendants upgrade to EMT level, and three basic EMT's upgrade to the intermediate level. At this higher level we can start IV's, read cardiac rhythms, and do advanced airways. We also purchased the advanced equipment, such as IV equipment and a defibrillator.

I realize there are a lot of you still wondering why Capital Ambulance is in town so much. The State requires a Paramedic on calls which require medication. Please try to understand, that although the cost of this care is expensive we are bringing the emergency room to you. Everyone deserves the best possible medical care available. You cannot purchase a price on the life of a loved one. Eventually, I would like to see Carmel able to license to the Paramedic level, but for a volunteer service this is not financially feasible for the town. Our town has come a long way in the last year by advancing our skills from a licensed ambulance attendant (60 hrs. training) level, to an intermediate (280 hrs. total training) level. Our goal, as a team, is to provide you with excellent care. Should there ever be a problem with any care you receive, do not hesitate to contact me through the town office.

We have eight active members and five active drivers at this time. Due to the economy, we are still short on day time help. If anyone is interested in volunteering, please contact the town office. Our drills are on the first Tuesday of each month from 7-9 p.m. Please feel free to attend.

Thank you for your continued support.

Respectfully. submitted

# CARMEL VOLUNTEER FIRE DEPARTMENT

TO THE CITIZENS OF CARMEL:

The Carmel Fire Department would like to thank the citizens of Carmel for their support throughout the year. We would like to thank the Auxiliary for all the time and money spent for equipment that as needed.

This spring, we were asked by the Forest Wardens, not to let anyone burn until after 5:00 pm, because of the dry conditions. We apologize for any inconvenience that this may have caused.

If you need a permit, you can get one from: the Town Office during business hours; Bill Crowley; Chief Mark Doning; Assistant Chief or John Luce, captain.

The Fire Department is always looking for volunteers. If you are interested, our meetings are held on the second and fourth Tuesday of every month. Hope to see you there.

Respectfully submitted

William Crowley, Chief

## CARMEL FIREMEN'S AUXILIARY

The Carmel Fire Department Auxiliary meets at 7:00 pm the second Wednesday of each month at the home of Frances Morrial (848-5610 located on Route 2. The Auxiliary welcomes new members and anyone wishing to become a member is invited to join us.

During the past year we conducted our Annual Firemen's Ball and raffle in April, provided refreshments at Town Meetings and an Open House at the Fire Station after the parade on Memorial Day. We participated in the Carmel Days festivities and held a Street Dance at the Fire Station. We had an auction in September and hunter's breakfast in November.

We would like to thank the businesses, organizations and individuals who have given to us so generously, your support has enabled the Auxiliary to provide support for our Firefighters.

We are planning our Firemen's Ball which will be held on May 1st and our Annual Raffle which is held in conjunction with the ball. As always there will be a limit on tickets for the ball. Tickets for the ball and/or raffle may be purchased from local merchants or you may call Suzan Bowers at Carmel Video, 848-3322.

## SIMPSON MEMORIAL LIBRARY Librarian's Report

As Librarian for Simpson Memorial Library this past year, I've enjoyed helping many of our children with School Reports, and Science and Curriculum Fair projects, Over the past year, many new materials have been purchased to help with these projects. A set of Popular Science Encyclopedias, Nature Projects On File, several books geared to helping choose and prepare Science Fair projects, along with books on many individual subjects have been added to the Library collection,

Preschool Story Hours continue to be an excellent ay to introduce children to an organized learning experience. The times for these sessions will continue to be announced in the Midweek Section of the Bangor Daily News.

During July and August a Summer Reading Program was conducted at the Library, Forty-eight children between the ages of 6 and 12 enrolled in the program,

in eight weeks they read a total of 445 books, This was done in conjunction with a preschool hour and also regular Library business, I'm thankful to those who volunteered their time to help out.

Beginning in April 1993, the Library will be open 2 hours more per week, This will make a total of 17 hours per week. I'm not yet sure what the change in hours will be, For now, Library hours continue to be, Tuesday 1-5, Wednesday 1-5, and Thursday 12-7 p.m.

There were 84 borrower cards issued in 1992, which brings the total to 749.

266 volumes were added to the Library Collection bringing the total volume count to 6274.

Book circulation for 1992 was 3758, Attendance was 2413.

Thank you for your continuing support.

Respectfully submitted.

NANCY LUNN, Librarian,  
Simpson Memorial Library

## ANIMAL CONTROL OFFICER

To the Citizens of Carmel:

I had 41 complaints some I had to go back twice. I had 32 dogs, 5 cats, 2 horses, 1 bat and 1 rabbit. There were 14 dogs impounded and 5 cats went to the shelter. There was one summons given for allowing a dog to roam at large.

I have had complaints regarding no shelter or inadequate shelter for dogs and I will advise owners a dog house must have a floor and some hay. If your dog is taken to the shelter it is your responsibility for all costs.

Please take care of your dogs and cats so you can enjoy them and they can enjoy you.

Respectfully submitted,

STEVEN K. CYR, Animal Control Officer

## PANNING BOARD

To the Citizens of Carmel:

Again this year we were kept busy, The Planning Board approved five new subdivisions and also two minor changes in already existing subdivisions,

We held six public hearings of which four were on subdivisions and two on ordinances,

The Planning Board drafted four amendments to the Zoning Ordinance and one definition change in the subdivision ordinance. Both of these were accepted at a Special Town Meeting. The Board also worked on and drafted an Ordinance for Shoreland zoning.

We held two special meetings to accommodate developers and also held several workshop meetings.

The Planning Board now meets at 7:00 p.m, the first Monday of each month, You are welcome to attend.

Respectfully submitted,

JANICE NOYES, Chairman

## BOARD OF APPEALS

To the Citizens of Carmel:

During 1992 the Board of Appeals acted upon seven (7) applications One (1) was withdrawn when the applicant changed his mind about what he wanted to do with his property Two (2) were denied by the board: One (1) for building on too small a lot and one (1) for placing a building too close to the road.

Four (4) applications were approved: One (1) to replace a trailer on a sub-standard lot, one (1) to construct a deck within a set-back, one (1) to build upon a lot smaller than 2 acres and, one (1) to place a trailer on a 5 acre lot, which already has a dwelling on it. The trailer must be removed after a limited period of time.

The Board of Appeals meets at the Carmel Town Office on an as-needed basis. Meetings are posted and advertised and citizens are encouraged to attend.

Current Board Members and term expiration dates are:

Barbara Baeslack, Secretary	1995
Fred Kircheis, Chairman	1994
Charles Nute	1995
Joseph Pelletier, Alternate	1996

Respectfully submitted,

FRED W. KIRCHEIS, Chairman

## CARMEL SENIOR CITIZENS CLUB

The Club meetings are held at the Carmel Snowmobile Club house on Rt. 69, the first and third Wednesdays of each month.

Officers for 1992 were: President, Viola Harvey; Vice-President, Lois Washburn; Secretary, Arlene Newey; Treasurer, Pearl Bailey; Correspondent Secretary, Ida Graves; Leona Staples has served as Chaplain and the Entertainment Committee was Helen Swett, Bertha Bryant, Erma Underhill and Evelyn Stevens. Bingo has been enjoyed after the meetings.

Members have purchased name tags so they can be worn when we go out to eat. April 1st, we went to the Wagon Wheel Restaurant in Abbot. May 20th, Richard Newcomb from the Hampden Historical Society spoke on local History. August 5th, several members enjoyed a picnic at Moose point. October 3rd, we boarded a school bus and enjoyed a foliage trip stopping in East Corinth for coffee, then on to the Wagon Wheel in Abbott for lunch. Then we boarded the bus and drove to Greenville, Jackman and down to Skowhegan and then home. It was a beautiful trip

Fred Kircheis entertained us with slides on Russia and gave a very interesting talk on his trip.

Thanksgiving Dinner on November 18th was held at the Countryside in East Corinth.

We had a food and craft table at the Grange Hall in October and it netted us a good profit. We've had several auctions during our meetings.

This past year, we have lost many good and faithful members. Fruit baskets were purchased for members who have been in the hospital along with cards we sent out for birthdays and sickness.

We wish to thank the Town of Carmel for their support, the School Department for the use of the bus and the Town Manager, Glennis McSorley for coming and explaining the Warrant for the Town Meeting to us.

Remember, all Senior Citizens are welcome to join us for pot luck dinners and business meetings.

Respectfully submitted

Arlene Newey, Secretary

## Carmel Recreation Committee

The Carmel Recreation Committee saw many positive changes in 1992. We added a Soccer clinic in August, saw a Bowling League form for the 4 to 7 year olds Bumper League at Family Fun Lanes in September. In January of 1993, Adult Co-ed Volleyball, on Tuesday nights at Caravel from 7:00 to 9:00 pm. We also saw an increase in Baseball participation and attendance at Caravel's soccer games for an average of 200 plus.

The Committee has a commitment of maintenance of all fields on the Complex. The ball fields were Roto-tilled twice and dust placement on the base paths. Projects that were completed: Shed placement, parking lot leveling and gravel added; painting of soccer field with poles. Still left for projects from this year for top priority in 1993; Swing Set placement and Pavilion. Plus Soccer & Football Complex, and Trail making.

A special thanks goes to the people who help with recreational activities during Spring, Summer, Fall & Winter months which provide an outlet for the Carmel Youth and Adults as well. Many of these programs are directed by volunteers in the community who work diligently and ask little in return. The Recreation Committee would like to express their appreciation to all volunteers who work with programs like Carmel Leagues baseball, Summer Rec. Program, Carmel Days, Basketball Clinic, Soccer Clinic, Youth Soccer Program, Bumper Bowling League, Caravel Soccer, Pee Wee Basketball, Caravel Basketball Teams, and the Adult Co-Ed Volleyball group. You do a great service for your community.

Another special thanks goes to Doug Small for his donation of \$303.00 towards the Pennies Account, for all Recreation Programs through this year.

Current members of the Carmel Recreation Committee are: Dan Pelletier, Chairperson; Jody Rice, Secretary; Noreen Cormier, Treasurer; Andrew Deraspe

and Donald Hewes, Maintenance Officers. Meetings are held the second Monday of each month at the Town Office at 7:00 p.m. and the public is welcome to address the recreational issues of Carmel.

Respectfully submitted,

Recreation Committee '92

## CIVIL DEFENSE

Early in the year, with the permission of the Superintendent and Principals of four area schools, I delivered 500 pamphlets related to Emergencies of all kinds, such as, Hurricanes, Floods, Winter storms Earthquakes and Hazardous materials, nuclear power, etc. and evacuation shelter procedures.

Even though you may not be interested in Civil Defense, please listen to your children, some are taking tests on all of this material. Also we are overdue for an earthquake in this area they occur about every ten years.

This summer I attended a staff meeting in Augusta on the Civil Air Patrol and acquired a 2-Way radio for the network. I am able to be in contact everyday with Search and Rescue.

Just a reminder, AUGUST, SEPTEMBER AND OCTOBER, are Hurricane months. The weather conditions seem to be bringing them back our way again.

This fall, I ordered enough pamphlets on Hurricanes, Thunderstorms, children's reaction coloring books and helping children cope with disaster. So far this year, I have placed 2,300 pamphlets in our four area schools. I hope you have looked at some of this material.

On November 21st, I received a Certificate of Achievement Award on H.S.-3 Radiological Emergency Management, a test that I took from the National Emergency Training Center.

If anyone would be interested in doing this job and would consider it to be an interesting undertaking, I am looking to retire. The pay is the same, nothing, but its very interesting.

## REPORT OF THE ROAD COMMISSIONER

To the Citizens of Carmel:

The roadwork in 1992 was put out for bid proposals from the local, in Town, contractors, the same as was done last year. The Selectmen awarded most of the jobs to the lowest bidder.

Bemis Road was ditched, cross culverts were installed, and 12" of gravel surface was added in some areas, from the Fuller Road to the Garland Road. The bid was awarded to M. E. Hewes and Son. Late in the year, Sunrise Materials applied Hot Bituminous surface to the same area. A welcome improvement to the people who live and travel on that road! Plans are to continue this year with more ditching and gravel work. The Hewes crew also got the bid to clear the ditch on the north side of Fuller Road from the Bemis Road, westerly, about 200 feet to allow for better drainage.

More construction was done on the east end of the Haskell Road, from the bridge, easterly, to the Bemis Road. Ditches were cleared, driveway culverts installed, and 12" of gravel was applied. This work was done by Robert Noyes/R & R Lumber. Commercial Paving placed flexpave and chip seal to the west end of the Haskell Road, fro the Horseback Road, easterly, to the bridge. Hopefully, we will

be able to complete the rest of the road with the same material this summer. The Noyes crew also replaced a driveway culvert on Garland Road and did some ditching on the south side of the road to promote better drainage.

The Fuller Road, from Irish Road, westerly, to the top of the hill had the shoulders cut off and hauled away, by the McSorley crew. He, also, was low bidder to install cross culverts, cut the shoulders, and ditch the westerly side of the, so called, Hewes Hill, of Fuller Road, and installed a culvert, diagonally, in the Randy Martin driveway, to help divert a drainage problem. Both of these areas were surfaced with shim and chip seal by Commercial Paving.

Another area on Fuller Road, from the Albion Young residence to the Five Road four corners had the shoulders cut off and some ditching done. A new driveway culvert was installed at the Winnie Sewall property and a drainage problem existing under the roadway by Sewall's was corrected. A new cross-culvert was installed near the Five Road four corners. This work was awarded to M. E. Hewes and Son. Commercial Paving applied shim and chip seal to this area also. The Five Road had some of the shoulders cut back with the grader and hauled away, particularly near the railroad underpass. This work was done by the McSorley crew. Selected areas of the road were shimmed and surfaced with chip seal by Commercial Paving.

M. E. Hewes & Son got the bid to install a 36" x 32' culvert on murray Road, beside the existing one already there. A beaver foiler was installed by the State, in hopes to deter the problems that we have had with beaver plugging the culvert. It will be up to the Town to maintain the foiler from now on.

Several cross-culverts and dooryard culverts were dug up and/or replaced (16 in all) on the Damascus Road. New gravel was hauled in and a compactor was used to compact the dirt around the culverts. Some areas of the road had the shoulders cut off and hauled away. The east end of the road, from Route #2 to the cross culvert near Dennis Weeks driveway, was ditched (on the westerly side of the road). The road culverts were then covered with patch. All of this work was done by the Robert Noyes/R & R Lumber crew.

The Noyes crew also replaced road culverts on the Ash Hill Road and Church Street. They cleaned up the old culverts and other items that were in the field at the municipal Building, and leveled the stone in the parking lot that was left by Commercial Paving. The same crew dug out the septic line from the Municipal Building to the septic tank and covered the pipes with styrofoam to help prevent any freeze-ups.

Hot top was applied to another section of the Dyer Road, from where we left off in 1991, up to and around the corner where construction had been completed. Sunrise Materials applied the hot bituminous material.

Tim Richardson was again the successful bidder for mowing the roadsides. They were mowed once in June and again in September. Tim found the Murray Road, but in his haste, forgot the Ash Hill Road - one time.

Our new sand shed was completed by October 15th, and the sand, (3500 yards), was stockpiled in it, by Mid Maine Construction, of Pittsfield.

Snow Removal and sanding is still being done by Robert Shaw.

The grader work was placed out for bid. Earle McSorley was awarded the bid and a contract was signed for one year with an option for two additional years. Calcium chloride was applied by the McSorley crew. Patching roads was done by the Donald Hewes crew or the Robert Noyes crew. Road signs, bump signs, and posted road signs were put up by Bud Neddeau.

We anticipate receiving \$40,000.00 from the State Local Road Assistance program this year, and plan to raise an additional \$10,000.00 by taxation, to be used for Town Road Tar. Another article in the arrant will ask for approval to spend the one time bond payment received (\$21,229.00) for Town Road Tar, also.

If the thaw in January was any indication of what the roads will be like in the spring, then it is anybody's guess as to where priorities, for maintenance, will have to be. Keep your fingers crossed and hope for the best.

My thanks to each of you who has worked on the town roads throughout the year.

Drive cautiously and buckle up. Remember, those 19 and under MUST buckle their seat belts.

Respectfully submitted:

GLENNIS A. MCSORLEY Road Commissioner
