Dear Town of Carmel:

As the new session of Congress began, I was honored to become the longest, currently serving member of the U.S. Senate to have never missed a roll call vote. As the 111th Congress ended, I cast my 4,563rd consecutive vote. It is a privilege to represent you in Washington, D.C. and I appreciate this opportunity to share some of my recent work as we look forward to the opportunities and challenges that lie ahead in the 112th Congress.

Creating jobs and strengthening our economy remain our nation's most pressing challenges. Far too many families and individuals throughout Maine and our nation are still suffering from a sluggish economy and high unemployment. That is why it was so vital for Congress to extend the 2001 and 2003 tax relief laws. I strongly supported a two-year extension because allowing these laws to expire would have resulted in one of the largest tax increases in our nation's history, and job killing tax hikes could well have plunged our economy deeper into recession.

Last year, I spoke to small business owners throughout Maine who told me that a tax increase could result in a loss of jobs and threaten the viability of their businesses. It is good news that Congress passed the two-year extension of these tax relief laws before 2010 came to a close, providing more certainty to businesses and relief for all taxpayers.

After years of repeated but unsuccessful attempts by the Maine delegation to address the federal truck weights law, I authored a successful truck weights pilot program in 2009 that was in effect for one year. The pilot program permitted trucks weighing up to 100,000 pounds to travel on Maine's federal interstates, where these trucks belong, rather than being diverted to secondary roads, through small communities, downtown areas, and school zones. The benefits have been evident: improved safety, lower costs, reduced energy use, and reduced emissions. I was disappointed that the U.S. House of Representatives failed to take action either to extend the pilot program or to make it permanent. Making the truck weights program permanent will be one of my top priorities this year and will be the first bill I introduce in the new Congress.

The President signed into law a number of bills that I authored or coauthored. I was proud to join Senator Joe Lieberman in leading the effort to repeal the so-called "Don't Ask, Don't Tell" law that applied to our armed forces. This long-overdue repeal enables the U.S. to join 35 of our closest allies in welcoming the military service of any qualified individual who is willing and capable of serving our country.

My efforts to counter the smuggling of illegal drugs across the Canadian border into Maine, and vice versa, were advanced when the President signed the "Northern Border Counternarcotics Strategy Act." I was the lead Republican sponsor of this law, which requires the Office of National Drug Control Policy to develop a counternarcotics strategy similar to that of the Southwestern border in collaboration with our Canadian partners. The Senate Homeland Security Committee also conducted an extensive investigation into the Fort Hood terrorist attack. We will soon release a report with recommendations on how to reduce the possibility of such an attack in the future.

PRINTED ON RECYCLED PAPER

Former Senator Evan Bayh and I authored a new law that establishes a new Advisory Council to develop a national plan for combating Alzheimer's disease. For the first time, this law charges federal agencies to develop a strategy to advance efforts to fight this devastating disease, at no additional cost to taxpayers. As far too many people know, Alzheimer's disease inflicts pain and hardship on families, and costs Medicare and Medicaid billions, yet our nation has been lacking a national strategy to focus on this disease.

Maine's natural resource industries are essential to our prosperity. Last October, along with other Delegation members, I testified at an International Trade Commission hearing that resulted in a ruling that Chinese and Indonesian paper companies had been engaging in illegal trade that is unfair to our domestic industry. During the debate on the Food Safety Modernization Act, I successfully advocated for an amendment, backed by Maine's small and organic farmers, to protect our small farms from excessive regulation.

In my ongoing efforts to save jobs in Maine, I succeeded in convincing the EPA to rework regulations known as "boiler MACT" in a manner that protects the environment and public health without jeopardizing jobs in the forest products industry. I also authored successful legislation to provide small contractors more time to comply with EPA lead-based paint regulations. The high fines for non-compliance would have put many small contractors in Maine out of business.

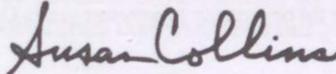

Working with the University of Maine, I helped advance the development of deep water, off-shore wind energy. Last summer, Energy Secretary Steven Chu visited UMaine at my request, which resulted in an announcement that the Department would dedicate \$20 million to develop and test deepwater offshore wind technologies. UMaine remains on the cutting edge of this work, which has the potential to create 15,000 jobs.

I secured funding for a number of important transportation projects in 2010. For example, following my request, U.S. Transportation Secretary Ray LaHood announced that the Department would award \$10.5 million for Maine's effort to save freight railroad service in Northern Maine, and \$20 million for the rehabilitation of the Memorial Bridge between Kittery and Portsmouth.

As a member of the Senate Armed Services Committee, I worked to ensure that our men and women in uniform have the resources and support they need to protect our freedom. In 2010, I supported efforts to improve health care and other services for our military personnel and veterans, and authored key provisions to strengthen our national defense by supporting the vital work at Bath Iron Works, the Portsmouth Naval Shipyard, Pratt & Whitney, the Maine Military Authority, and other Maine industries. Following my letter last year to the President's top budget official urging him to include increased funding for the DDG-51 program in next year's budget, Defense Secretary Gates recently announced that the Pentagon would seek an additional DDG-51 in its five-year budget.

The 112th Congress will bring extraordinary challenges as we work to improve the economy, lower the unemployment rate, seek ways to reduce federal spending to bring the federal debt under control, and debate a host of other important issues. I am grateful for the opportunity to serve Carmel and Maine in the United States Senate. If ever I can be of assistance to you, please contact my Bangor Office at (207) 945-0417, or visit my website at <http://collins.senate.gov>. May 2011 be a good year for your family, your community, our state and our nation.

Sincerely,

Susan M. Collins

Dear Carmel residents and friends,

Maine continues to face many challenges. As I travel across our state, I am inspired by stories of innovation and entrepreneurship, yet there is much more we need to do to improve our economy and create jobs.

That is why I am working so hard to improve our nation's trade policies and ensure that Mainers are competing on a level playing field. I was especially pleased that the International Trade Commission found in favor of U.S. paper manufacturers and their workers who filed a petition against Chinese and Indonesian companies that illegally dumped subsidized paper into our market. I worked hard to support this petition, and the tariffs that now apply to these imports will help keep Maine companies competitive and allow them to create and retain good paying jobs.

Our state is also making important strides in developing the types of jobs and economic opportunities that can only be done here in Maine. For example, when Eastport partnered with a U.S.-based company to act as an embarkation port for 500 dairy heifers heading to Turkey, congressional efforts were able to help cut through red tape and bureaucratic challenges. Moreover, the entire bipartisan congressional delegation has successfully urged the federal permitting agency to begin the process for a long-term certification of the Port of Eastport as a livestock exportation facility.

To that end, I cosponsored and helped pass into law last year the "America COMPETES Act," which will create jobs through innovative technology loan guarantees for small and mid-sized manufacturers. I was pleased that two amendments I offered also made it into the final bill ensuring that when implementing the bill federal agencies work together to prioritize the needs of small businesses and that those communities most hurt by our trade agreements will be given special consideration. There are too many small businesses that are struggling to survive, and we must listen to these independent owners when they tell us what they need to grow and create jobs.

However, my biggest commitment is to quality constituent services. Please do not hesitate to contact me at my Bangor office at 207-942-6935 or by emailing me through my website at www.house.gov/michaud. While on my website, I also encourage you to sign up for occasional e-mail updates on issues important to Mainers and to join me on Facebook or Twitter.

Thank you again for the opportunity to represent you in Congress.

With warmest regards,

Michael H. Michaud
Member of Congress

A Message from Senator Debra Plowman

Dear Friends and Neighbors:

It is an honor to represent you in the Maine Senate, and I am grateful for the trust you have placed in me to work for the betterment of this community and our region.

The State of Maine, like many of us, is experiencing tough economic times. Currently the state is facing an estimated \$800 million revenue shortfall for the next two-year budget. In order to bring the budget into balance, the Governor, along with the Legislature, must make some significant changes in the way state services are delivered and how taxpayer money is spent. Republicans are committed to crafting a budget that reins in the unsustainable growth of state government, prioritizes core services like public health and safety, education, a safety net for our most vulnerable citizens and our transportation infrastructure. Despite the challenges we face, this is an opportunity to retool state government, reduce the size of the bureaucracy, carefully review the effectiveness of current programs, and set Maine on the right course.

One of our first orders of business when the 125th Legislature convened in December was the development of LD 1, *An Act To Ensure Regulatory Fairness and Reform*. The bill recognizes that one of the biggest impediments to job creation and keeping our young people in Maine is the regulatory burden the state currently imposes on business. Given this, LD 1 proposes to reach out to businesses and workers to identify duplicative and unnecessary regulations and eliminate or propose changes to these regulations. Our goal is to improve the business climate, encourage job creation and retention, and expand opportunities for Maine people.

I am hopeful that by reining in state spending, prioritizing our needs and developing strategies for improving our business environment, we can move Maine towards prosperity and create the opportunities that will keep our young people here in Maine.

Again, thank you for entrusting me to represent you in Augusta. Please feel free to contact me if you ever need my help in navigating the state bureaucracy. I would be happy to help in any way that I can. I can be reached in Augusta at 287-1505.

Sincerely,

Debra D. Plowman
Maine State Senator

December 2010

Dear Friends and Neighbors:

Thank you for the opportunity to return to the Maine State Legislature as your State Representative. It has been a privilege to represent Carmel and all of District 23, and I enter my fourth term as your State Representative with a deep understanding of the challenges that the 125th Maine Legislature will face.

Members of the 125th Maine Legislature were sworn into office on December 1, 2010. During the next six months, lawmakers must work to fix a significant hole in the state budget. The state of Maine needs to use this challenging time as an opportunity to change the way the state government operates. I look forward to working with our newly-elected governor and my colleagues from the House and Senate on both sides of the aisle to ensure that we have an efficient system in place that still provides a safety net for Maine's most vulnerable residents.

It is an honor to be serving as Chair of the Committee on Education and Cultural Affairs for the 125th Maine Legislature. The committee deals with issues that affect all Mainers and have a great impact on Maine and Maine's economy. School budgets, the University of Maine system, the Maine State Library, and school choice and homeschooling are only some of the areas of jurisdiction of the Committee on Education and Cultural Affairs.

I encourage you to visit the Legislature's website at <http://www.maine.gov/legis> for up-to-date bill status information, public hearing dates, and roll call votes on legislation. If you would like to sign up to receive my weekly e-newsletter, please send an e-mail to richardsond@hermon.net. If you have any concerns, questions, or thoughts do not hesitate to share them with me.

Sincerely,

David E. Richardson
State Representative

Proudly serving the citizens of Carmel, Etna, Hermon and Stetson

2010 Selectman's Report

Carmel's Selectmen Meet Monday Evenings at 7:30 PM as Posted

To the Citizens of Carmel:

As we enter into 2011 we look back over our accomplishments and goals for the future of our town.

Like most towns today, we are trying to provide the requested services with the least amount of cost. On the subject of cost, there will be discussion and an article at the annual town meeting on whether to continue the recycling program or to terminate it. Please read the Town Manager's report regarding the recycling cost.

The Board of Selectmen has concerns about the school district not having joined an RSU. From what we understand the Hermon School system is not interested in working on a solution to this problem. In one way or another we continue to look at a yearly loss/cost of one hundred and fifty thousand dollars until it is resolved.

We are very pleased with the professionalism of the Town Manager, office staff and volunteers as they carry on the day to day operations of the town.

Each week the Selectmen's Meeting agendas are posted around town and on the website. The meetings are always open to the public and we encourage residents to attend. We would also ask residents to attend and vote on the annual budget at Town Meeting March 7, 2011, 7:30 PM.

Respectfully submitted,
Joshua Devlin – Chairman of the Board
Suzan Rudnicki
John Luce
Douglas Small
Earlyn Bowers

As we look back over our achievements in 2011...

...we are proud of our work...

...we have achieved many milestones...

...and we are looking forward to 2012...

...we will continue to work hard...

...to make a difference in the world...

...and to create a better future...

...for all of our stakeholders...

...and to be a responsible citizen...

...of the communities we serve...

...and to be a leader in our industry...

...and to be a source of pride...

...for all of our employees...

...and to be a company that...

TOWN

DEPARTMENTS

and

ORGANIZATION

REPORTS

Town Manager Report

Time seems to fly when you enjoy going to work each day. Over my twenty years in town management I have found Carmel to be one of the best towns to work for. One of the reasons is that if you take the time to explain costs and goals to the residents they will almost always support the program.

I would like to extend the Town's sincere thanks to the volunteers who spend endless hours and effort making the many and varied programs work. I would also like to express my thanks to our part-time and full-time employees for their cooperative efforts to see that all aspects of town government work without a glitch. Their efforts make all our jobs much easier.

Throughout the budget process this year, we have looked for ways to reduce spending while maintaining services. Recycling became an area of discussion this year. In reviewing the amount of items recycled along with the cost per ton to have it disposed of, it became obvious that it would be much less expensive to put the recyclables in with the regular trash.

Cost for Including Recyclables with Solid Waste

	2007	2008	2009
Tin Cans	1.10	1.69	1.96
Glass	0.72	0.72	0.36
Plastic	1.65	3.17	2.72
Newspaper	15.30	25.45	23.70
Cardboard	3.46	5.37	4.58
Total	22.23	36.40	33.32
Per Ton Fees	\$73.00	\$73.00	\$73.00
Cost of Disposal	\$1,622.79	\$2,657.20	\$2,432.36
Cost of Contract	\$19,727.00	\$20,400.00	\$20,400.00
Less Disposal Cost	<u>\$ 1,622.79</u>	<u>\$ 2,657.20</u>	<u>\$ 2,432.36</u>
Cost Savings per year	\$ 18,401.21	\$17,742.80	\$ 17,967.64

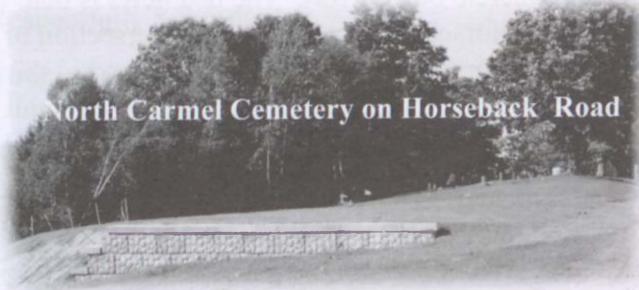

At this year's town meeting we will have an article on the warrant that will ask the residents to decide on future recycling. I do understand there are many who firmly believe in recycling to help protect the environment, and as individuals you may still be able to recycle by taking your items to recycling centers.

The Comprehensive Plan Committee met on a monthly basis to draft a new plan that will be completed next year, with a vote to accept at the annual Town Meeting 2012.

The following chart shows our increases for last year, which amounted to a 1.05 mil rate increase. Some of the increase was due to reductions in State revenues to towns.

	Town	School	County
2010	\$ 1,503,493	\$ 1,136,410	\$ 180,122
2009	\$ 1,459,742	\$ 1,102,162	\$ 169,058
Net Diff.	\$ 43,751	\$ 34,248	\$ 11,640

	Town	School	County
2011	\$ 1,502,741	Unknown	\$ 192,215
2010	\$ 1,503,493	\$ 1,136,410	\$ 180,122
Net Diff.	(\$,752)	\$	\$ 12,093

North Carmel Cemetery on Horseback Road

Over the last ten years we have had an on-going program to improve the Town's cemeteries. This year's project was working on leveling the grounds and the expansion of the

North Carmel Cemetery. Not only will this allow for easier mowing, but it will provide additional burial space.

If you haven't checked out our website, please take advantage of it. If you would like to receive meeting agendas and other information via e-mail, send us an e-mail and we will add you to the list. However, if e-mail addresses changes, you will have to advise us of the change. We are continuously trying to provide more information.

As always, I encourage those with concerns and suggestions to feel free to contact me at the town office at 848-3361. My e-mail address is townmgr@townofcarmel.org. The Town of Carmel website is townofcarmel.org.

Respectfully Submitted
 Tom Richmond
 Town Manager

2010 Road Commissioner

Each year in preparing this report I think back over the years and I realize how far the Town of Carmel has come with its road program. Think about the condition of the Horseback Road near the former Sinclair Garage and what a mess it was. During the construction of 2001 the road base was raised two to four feet and paved. Now ten years later it's in good shape but needs paving.

Other roads throughout Carmel are at the same stage and are in need of being overlaid with surface pavement to save them. Among them are the outer end of the Murray Road, Dyer Road, parts of the Cook Road and the Horseback Road from the four-way stop sign to the Garland Road.

This year will see the replacement of the old metal culvert on the Horseback Road with a concrete box culvert. The bad news is that the Horseback Road from the intersection of the Horseback and Fuller Roads toward the North Carmel Cemetery will be closed to all thru traffic for one or two weeks.

The major construction project for this year will be a section of the Cook Road in the area that we ditched last year. The plan is to have the pavement grinder reclaim the pavement and add additional material prior to paving. Last year a six-inch layer of ground tar was placed and compacted to give the surface pavement more strength on the Murray. This will be the same procedure for the Cook Road.

Again this year we will have additional roads cracked sealed in an effort to extend the life of the pavement, thus preserving these roads for a bit longer.

Our campaign of phone calls to the Commissioner of the Department of Transportation (DOT) and the Governor's Office was successful to the point that DOT has told callers that potholes will be filled this winter and DOT will be doing a shim and overlay next summer. This will fill the ruts and broken pavement on the edges of the road. However, this is a temporary fix.

I would like to hear that we are in the long range plan for reconstruction. The 1.4 miles of Route 2 between the Irish Road and the railroad bridge had major work back in 2001 and was repaved this year. During that construction the contractor excavated the edges of the old concrete road down about three feet and refilled the area with good compacted gravel. It is apparent that it worked well because the road has stood up for nine years. We understand that with the limited funds the state can't afford to remove the concrete, but the same program with stabilization of the shoulders and repaving would make a world of difference.

			(Selected Rate) (Enter on Page 1, line 13)
20.	2,003,976.67	X	0.05 = 100,198.83 Maximum Overlay
21.	3,575,900	X	0.012200 = 43,625.98 Homestead Reimbursement
			(Selected Rate) (Enter on line 8, Assessment Warrant)
22.	0	X	0.012200 = 0.00 BETE Reimbursement
			(Selected Rate) (Enter on line 9, Assessment Warrant)
23.	2,060,140.80	-	2,003,976.67 = 56,164.13 Overlay
	(Line 19 plus lines 21 and 22)		(Enter on line 5, Assessment Warrant)

(If Line 23 exceeds Line 20 select a lower tax rate.)

Results from this completed form should be used to prepare the Municipal Tax Assessment Warrant, Certificate of Assessment to Municipal Treasurer and Municipal Valuation Return.

Assessor's Report

I have enjoyed serving the Town as its Assessor over the last year. Steven Salley or myself are available at the Town Office one day per month, generally the first Monday. Please call the office to schedule an appointment. Annually, the Assessor's Office reviews valuations and makes adjustments to the valuations that include any additions and deletions. We are also responsible for maintaining accurate records of property ownership. Part of the

assessment process includes conducting an annual "ratio study", which compares the actual selling price of property to assessments. The most recent study conducted for the state valuation purposes indicated the assessed values, on average, to be at approximately 100% of market value.

PROPERTY TAX EXEMPTIONS AND PROPERTY TAX RELIEF

HOMESTEAD EXEMPTION

Most homeowners whose principal residence is in Maine are entitled to up to a \$10,000 reduction in valuation (adjusted by the community's ratio of valuation to actual market sales). To qualify, homeowners must fill out a simple form declaring property as their principal residence by April 1 in the tax year claimed. Once the application is filed, the exemption remains until the owner sells or changes their place of residence. Forms are available in the Assessor's Office.

VETERANS EXEMPTION

Any person who was in active service in the armed forces of the United States during a federally recognized war campaign period and, if discharged or retired under honorable conditions, may be eligible for a partial exemption from taxes on their primary residence.

The Veteran must have reached age 62 or must be receiving a pension or compensation from the United States Government for total disability, either service or non-service connected.

Application forms can be obtained in the Assessor's Office and must be filed with military discharge documentation on or before April 1st of the year it will go into effect.

BLIND EXEMPTION

Residents of Carmel who are certified to be legally blind by their eye care professional are eligible for a partial exemption from taxes on their primary residence in the town.

Respectfully Submitted,
Robert Duplisea CMA, Assessor

Town Clerk Report

The Clerk's Office is open during regular business hours,

Elections 2010

In 2010 Carmel held our annual town election and Town Meeting. We also held a special Town Meeting, the Primary/Referendum, the Budget Approval Election for SAD #23/RSU 87 followed by their Budget Validation Referendum and Secondary Student Tuition elections. The election year ended with the November General State/Referendum election.

February 27, 2010: Town election results: **Selectman** – Josh Devlin & Douglas Small - Three-year term
SAD #23 Director – Lori A. Brown - Three-year term

March 01, 2010: Annual Town Meeting Warrant results:
Thirty-six articles were acted upon (35 passed)

June 03, 2010: SAD #23 School Budget Approval Election (passed)

June 08, 2010: State Primary Election & Referendum. SAD #23 School Budget Validation Referendum & Secondary Student Tuition Election (passed)

September 07, 2010: Special Town Meeting to close the Garland Road (passed)

November 02, 2010: State Offices & Referendum Election

The results for State and Local elections and Town Meetings are on file at the Town Office.

Residents interested in becoming an election clerk please contact the Town Office (848-3361).

Book Restoration Project

In 2010 there was money voted to restore our books and the Historical Society paid to have two of the military Enlistment Books preserved. I thank the residents for voting to continue preserving our recorded history and you are welcome to view them.

Respectfully submitted

Julia Pike
Deputy Town Clerk

Registrar's Report

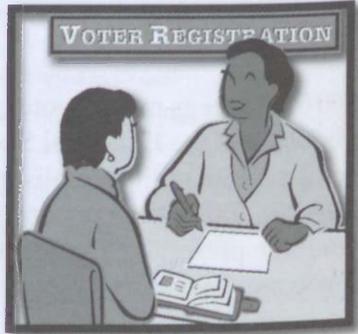

The State of Maine continued to upgrade the Central Voter Registration computer program. The program is very helpful with tracking registered voters that have moved in or out or within town. It also keeps the voter history with the voter. This year we have been able to pull most of the old voter registration cards for residents that no longer reside in Carmel.

Voters without Registration Cards. These are cards that do not have voter's signatures on them.

(older much older cards.) I started last year on sending out the latest version of the Voter Registration Card for the voter to fill out, sign and return to the Town office. I appreciate everyone's help with this project.

A note: when you are at Motor Vehicle, you do not need to fill out a request for Name/Address Change if it is for E-9-1-1 address change. I have taken care of all the E-9-1-1 changes. Complete the address change only if you have moved either within Carmel, into Carmel or out of Carmel. **This is not a registration card** if you have moved into Carmel you need to come to the Town Office to register. If you are registered in Carmel and your name has changed, all you need to do is fill out this card with your new name.

If you have **not registered** to vote in Carmel and you sign a State Referendum petition or a local nomination petition your signature **will not be validated**. To register all one needs to do is bring proof of residence and identification (ie: driver's license, a bill such as electric, phone, and auto registration with a current physical Carmel address (**not a PO Box number**)). Please call me with any question you may have at 848-3361.

Remember: REGISTER to VOTE early

Respectfully submitted,

Julia Pike, Registrar

Municipal Agent Report

This year the Open Water and Ice fishing Laws and Rules are combined in one book. This rule book applies from April 1, 2010 – March 31, 2012. (*We have been told that when we run out we won't be able to receive any more. So hang on to the one you have.*) The State does not send us the any deer or moose permits therefore persons wanting these permits will need to go online (www.mefishwildlife.com) and download them.

The question: Did you fish in tidal water of the state last year, will now be asked. If the fisherman answers yes you will be asked for your phone number. This is for a possible survey.

The reason for this is the Maine legislature has exempted all individuals purchasing freshwater fishing licenses form separately registering with the Department of Marine

Resources in order to participate legally in saltwater recreation fishing.

Annual Reminders:

- For motor vehicles residents can go online at www.informe.org/rrs/carmel. At the site you will need your current insurance card, your present registration and your checkbook in order to complete the new year's re-registration.
- **In order to transfer credit from one vehicle to another the ownership of the first vehicle must have been transferred to another owner or the vehicle must have been junked. Current insurance must be shown at time of any registration.**
- **Due to the time it takes to process new registrations we cannot start them after 7:30 PM on Monday night or 4:30 PM the rest of the week. We are not doing quotes over the phone for registrations. There is a chart at the town website (www.townofcarmel.org then go to the taxes tab and into motor vehicle.) to help with figuring out your excise and state fees.**
- The MOSES System (www.mefishwildlife.com) Remember for recreational vehicles, ATV's, boats and snowmobiles, that you do online you can now use your machine as soon as you print out the registration confirmation. No more waiting until you receive the stickers in the mail. The town office has plenty of the Inland Fisheries and Wildlife plastic bags if you need one to keep your registrations in.

Respectfully submitted,

Julia Pike, Municipal Agent

E-911 Address Report

There were not that many changes in 2010. We added one new Road name and a few additional new addresses for the new homes that were built. There were also a couple of address corrections.

In driving around town, I have noticed there are those residents that still have the old Rural Route numbers on their mail boxes and/or no identifying E-9-1-1 numbering. Please take time to change this situation. If you need to reconfirm your E-9-1-1 number please call me at the town office.

- ❑ RR#'s are no longer used and are not a part of your address.

Again this year we lost a few road signs. Please keep in mind that besides being an expense to the Town, stealing road signs is also a Federal offense and can be prosecuted. The reason for this is someone could die if emergency help cannot find the correct address in time to provide the needed care.

Please take note of any

suspicious activity around roadway signs and report it. **Thank you.**

Points to Remember:

- ❑ According to the E-911 regulations, your physical numbers must be displayed on or near your front door (for emergency vehicles) and on your mailbox (for mail delivery). Your house numbers, if not visible from the road, need to be posted so they can be seen by approaching emergency vehicles.
- ❑ Signs may be ordered at the Town Office through the Penobscot County Sheriff's Office.
- ❑ \$12.00 for the PACKAGE – two single-sided signs, post and bolt.
- ❑ \$ 9.00 for one single-sided sign, post and bolt.
- ❑ \$ 6.00 for one single-sided sign.
- ❑ \$ 9.00 for one Mailbox Mount Double-sided sign with hardware. (Make checks payable to Town of Carmel.)

Respectfully submitted

Julia Pike
E-911 Addressing Officer

Carmel Planning Board

**Regular meetings are held the first Monday of each month.
Special meetings are posted. All meetings start at 7:00 pm.**

We have been busy working on our Special Use Ordinance as it is failing us and needs to be strengthened.

We did approve two Special Use Permits, one for a repair facility and one to include more back land for commercial use for the Ideal Recycling Inc on Rt. #2.

We also approved one amended Subdivision plan. We held Public Hearings on all of these.

We are working on updating our Land Use and Subdivision Ordinances. We are always open to any suggestions for input that will benefit us in improving our regulations. These are very important.

We invite you to attend our meetings. They are held on the first Monday of each month.

Respectfully Submitted,

Jan Noyes, Chairperson

CODE ENFORCEMENT REPORT

Hours: Monday – 12 PM – 8 PM & Wednesday - 8 AM – 4 PM
Town Office: 848-3361 Cell Phone: 745-7161

To the Citizens of Carmel:

This past year was another slow one as far as building permits were concerned but hopefully the economy has turned around. The Comprehensive Plan Committee is still meeting each month to work on the plan and hopefully it will be ready for the 2012 Town Meeting.

I would like to inform everyone that there is a new State Building and Energy code in effect at this time that will require additional inspections. There also has been a significant increase in all plumbing permit fees.

Breakdown of Building Permits Issued in 2010

Building Permits

New Homes	8
Garages	12
Mobile Homes	9
Miscellaneous	27
Total	56

Plumbing Permits

Internal	21
External	16

Total 37

Board of Appeals Report

To the Citizens of Carmel:

The Board of Appeals **meets only on an as-needed basis**. All citizens are welcome to attend meetings, which are advertised in the local newspaper and posted in public places within town.

There were no Board of Appeals Meetings held in 2010.

Respectfully submitted,
Barbara Baeslack, Chairman

CARMEL COMPREHENSIVE PLAN

Planning for the Future: We do it for our families. The Town of Carmel does it for its residents through the Comprehensive Plan.

Carmel began updating its 20-year-old Comprehensive Plan in 2010. To date, the Comprehensive Plan Committee has conducted a public opinion survey and researched a number of topics about the town, including population and demographics, housing, economy, public facilities and services, natural resources, historic and archaeological resources, transportation, fiscal capacity, forestry, agriculture, and land use.

All the information gathered about the town and the results of the public opinion survey will be used to develop draft recommendations. Prior to developing those recommendations the Comprehensive Committee will develop a "Vision for Carmel to the Year 2020." This will provide the basis for the development of specific recommendations.

A complete Comprehensive Plan will be voted on at the March 2012 town meeting. There will be a number of opportunities to provide input as the plan is developed.

All meetings of the Comprehensive Plan Committee are open to the public. Meetings are held the 4th Monday of each month at 7 P.M. at the Town Office.

Contact Tom Richmond at the Town Office for more information on the Comprehensive Plan.

The Comprehensive Plan will be...

- *A vision for the future - for the next 10 to 20 years*
- *The townspeople taking charge of their future*
- *A way to control town costs and increases in property taxes*
- *A way to access grants, such as for facilities, housing rehabilitation, etc.*
- *A practical guide to managing growth and directing public policy*
- *A legal foundation for local regulations (any changes must be voted upon by the town at a later date)*

Deputy Sheriff's Report

To the Citizens of Carmel:

The Sheriff's Office continues to work closely with the people of Carmel to meet the expectations of its citizens and foster a positive community relationship. I am assigned to a rotating forty-hour a week schedule in Carmel. The town of Carmel and Penobscot County Sheriff's Office is now in its eighth year of the contract deputy program and I am in my tenth year as the Carmel Constable. We stand ready to meet the ever-changing demands of this rural and growing community.

In 2010 The Penobscot County Sheriff's Office received 748 calls for service. A partial breakdown: follows,

Assaults	9
Family fights	12
Burglaries & Thefts	39
Vehicle Accidents	40
Motorist assists	19
Harassments	18
Frauds	8
E911 Mis-dial/Hang-ups	57
Property Checks	141

As always, we encourage citizens to become familiar with the people in their neighborhood and report suspicious activity in the area when neighbors may be away from their home. Nobody knows more about what is out of place on his or her street than someone who lives there. Rural homes continue to be a favorite target of daytime burglaries. Working together will help make Carmel as safe as possible for all its citizens.

Respectfully submitted,

D/S Garrit R. McKee
Carmel's Constable
Penobscot County Sheriff's Office

Chief Deputy T Morgan, Deputy, G. McKee
and Sheriff G. Ross

Animal Control Officer's Report

Contact #'s: ACO Phone – 848-9913. Regional Dispatch: 945-4636 (Call this # when you need immediate assistance. Dispatch may be able to send an officer to assist until I can get to where you are.) Game Warden: 941-4440 or 287-5252 (Call the warden service on all wild animals and any dogs you witness chasing deer.)

This year the town hired Jean Taylor, a long time resident of Carmel, as Animal Control Officer.

Bangor Humane Society is the town's shelter. If you have lost your pet, first call the ACO or the town office to report the missing animal and to see if someone has found it. This step can save you time and money. Second, call the Bangor Humane Society (942-8902) to see if they have received it.

Listed are calls the ACO responded to in 2010:

- | | |
|---------------------------|----------------------------|
| 1 – Dog at Large | 12 – Complaints about Dogs |
| 1 – Dog to Animal Shelter | 2 – Cats Euthanized |
| 2 – Dog Bites | 1 – Dog Chasing Deer |
| 2 – Dogs found Dead | 1 – Cow Loose |
| 7 – Dogs Lost & Returned | 1 – Pony Complaint |
| 4 – Stray Cats | 1 – Guinea Pig Complaint |

Some of these calls were resolved in one visit; while others needed multiple visits.

Respectfully submitted
Julia Pike
Administrative Assistant

2010 Simpson Memorial Library Librarian's Report

"Reading is a window to the world!" Lynn Butler

To the Citizens of Carmel

The Simpson Memorial Library provides universal access to those who seek information, recreation and the pleasure of learning. We provide quality reading, educational material and entertainment programming. We welcome patrons and visitors to come in and see what the library has to offer. The library has a vital role in the life of the community. The library was busier than ever in 2010. Attendance for 2010 was 3,252, with a total circulation of 4,139. We issued 90 new patron cards. Our rolls remain steady, 980 as we update membership. With our book budget we purchased 118 adult books. Fifty-three children books were purchased with the book budget and grant monies. Our patrons borrowed 216 books through inter-library loan.

This year's Summer Read Program, "Make a Splash, Read," was very popular. We had twenty-eight children enrolled. Tony Sohns, Natural History Educator presented, "Water Bug Safari" where the children participated in an exploration of pond creatures. One brave young lady held a blood sucker on her palm. Local guests were Karl Rudnicki, Carmel Well Drilling, Lorie Darling, Bangor Red Cross, certified life guard and Fred Kircheis provided a fun experience on "Sail boats." The children participated in Carmel Days with a "Swim theme float." A wading pool, old metal wash tub, bathing suits, beach chairs, towels and decorations were part of the float. The 2011 theme is "One World, Many Stories."

Katy Riddell, story teller and author, did a wonderful job of entertaining the children and adults with puppets, music and stories at the Teddy Bear Picnic. Andy the Armadillo, from Texas Road House, came to visit at the Halloween event.

We would like to thank the Golden Harvest Grange for providing a place for the children's programs. Twenty-seven attended the water safety, "Reach or Throw, Don't Go" with instructor, Lorie Darling and our Halloween and the December story hours were all held at the grange hall.

In 2010 we offered a mystery and romance book club in which participants keep a log of books they read. For every ten books read, the participants name was put into a drawing. The winners, June Henderson, Dixmont, and Gail Tudor, Hermon, won gift certificates to Borders, a cat tote bag and

books. In the fall of 2010 a general book discussion and knitters group started on Thursday evenings at 6:00. Everyone is welcomed, knitting not required.

The library received its final grant money, from the Bill and Melinda Gates Foundation, for computers in mid-winter of 2010. The purchase of a patron laptop has proved very popular. The library received two other grants, the Rose and Samuel Rudman Grant, which paid for books and the guest speaker at the Summer Read Program, and the Lupine grant, in which the library received \$500 worth of children books.

The Annual Book and Plant Sale held on the second Saturday of May raised \$1,095.29. On Carmel Days the library raised \$405.25 from sales of pies, books. We would like to thank all who donated pies, books and the time and energy that went into this event. The raffle raised \$356. The Drop Box for returnable bottles raised \$1,390 and our Bake Sales raised \$1,390.85 for the year.

In November the library paid off its mortgage on the lot purchased from American Legion, Post 107. Thank you to all who donated time, money, baked, and dropped off bottles. It was indeed a community effort.

The Community Tree Lighting continues to bring the community together. This year over 80 people came to the event. Folks enjoyed caroling, the tree lighting and walking through the luminary walk to the Paul Haskell House for refreshments.

We would like to thank Cub Scout Pack 18 for setting up and lighting the luminaries. We greatly appreciate the Carmel Historical Society for partnering with us on this wonderful event.

Donations made to the library, financial and in-kind, are tax-deductible as the library is a 501 (c) 3 entity. In 2011 the library's fundraising focus continues to be our Building Expansion Fund.

Our volunteers do many things, help at the library, bake for the bake sale, yard work and much more. We greatly appreciate all they do.

We would like to thank the citizens of Carmel for their support of the library in 2010 and look forward to serving the community in 2011. Suggestions to improve our services are welcome. Please come visit us!

2010 Carmel Fire & Rescue Annual Report

I would like to thank the men and women of the Carmel Fire & Rescue department, who continue to serve their community above and beyond the needs of their own families. I would like to especially thank the families that allow the Firefighters and Emergency Medical Technicians to leave for calls. Emergency calls never come at a convenient time.

I would like to thank the town manager, town office staff and the members of the select board, who have been extremely supportive to the fire & rescue department. Without their support, the issues that face this fire & rescue department would be more challenging.

I would like to thank the citizens of Carmel. Your continued support of this department allows us to continue serving you with excellent equipment, better training and new ideas leading us into the future. The face of the American firefighter and emergency medical technician is constantly changing, and your support allows us to be part of that change.

From time to time, I hear the comment made “what do I pay taxes for?” or “what guarantee do my taxes provide when it comes to fire protection or medical protection?” Your tax dollars guarantee that there will be a vehicle with equipment on it located in the town of Carmel.

It is the volunteers who guarantee that the vehicle and the equipment are taken care of and are able to respond. It is the volunteers that drive and operate the vehicles and train constantly to be able to provide that service to you. There is no guarantee that a volunteer will be able to respond. This is a decision that they must make, with the input of their families, their jobs, their bosses and their responsibilities. The stipends they receive do not come close to the cost that it takes to provide this service. I have said many times in my career that “You should support the volunteers, as the life they save may be yours.”

Carmel Fire & Rescue has had a busier than average year. We responded to 241 different incidents in 2010. The Carmel Fire & Rescue department has responded to 15 building fires this year, 3 in the town of Carmel and the rest in the mutual aid towns.

Carmel Fire & Rescue responded to 144 medical calls. These calls range from difficulty breathing, chest pain, trauma, seizure, childbirth, diabetic emergencies, and car accidents. Carmel Fire & Rescue has responded to many hazardous conditions, such as fuel spills, carbon monoxide detector

alarms, flooded basements, utility lines down, and un-permitted outside burning. The call volume breakdown is listed below.

October is Fire Prevention Week at the Fire Station. Assistant Chief Bill Crowley takes a week off from work so that he can provide education to the children of Carmel. With the help of other firefighters, he explains the fire gear, the trucks, stove safety, fire safety, how smoke detectors work, and how to use and follow an evacuation plan. Fire Safety is a lifelong learning event that starts while the children are young. Thank you to the Carmel Elementary teachers and staff who bring the children to the fire station.

The annual Halloween party provides a place for children to go and play, be safe, and keeps the children off the street. I would like to personally thank Donna Stanhope for her energy that makes this event a success. I thank the other members who work with her, and for the citizens that donate candy & materials for this event.

Carmel Fire & Rescue provides a Junior Level program for high school students 14 – 18 yrs of age. Do you have the interest in helping your community, while at the same time learning lifelong skills? The junior program will provide these skills on Wednesday nights. If this is something you might like to do, please contact us.

The Carmel Fire & Rescue Department is fortunate to have several new members this year. Two of these individuals will be attending the Emergency Medical Technician class at Eastern Maine Community College. Carmel Fire & Rescue continues to have staffing issues during the day, not only in Carmel, but most of the towns in northern Maine. If Carmel ambulance is unavailable, you will have to wait for the ambulance to come from the City of Bangor or the town of Hermon.

Carmel Ambulance has Basic Level Emergency Medical Technicians. 911 dispatchers ask a series of questions to the caller. The answers to these questions indicate whether Carmel ambulance can handle the call, or whether Paramedics are needed. Carmel ambulance no longer has active paramedics and therefore cannot provide this level of care. Paramedics are simultaneously dispatched from the City of Bangor with Carmel to serious life threatening calls. This is why you sometimes see two ambulances when you call, or why Carmel meets the Bangor ambulance on the way to the hospital.

In closing, I look forward to working directly with the Citizens of Carmel, the Firefighters, and the Emergency Medical Technicians that make this town a great place to live. As always, if you have an interest in working with us, please contact me.

Recreation Department

The Recreation Committee meets at the Carmel Municipal building the 2nd Thursday of every month at 7 PM. The public is welcome and we are always looking for new members and volunteers.

Committee Members: Director – Aaron Hawes, Chairperson – Nikki Gray, Secretary – Lisa Michaud, Treasurer – Shelly Farmer, Members- Ted Harris and Laurie Willis.

Hello Everyone,

2010 Has come and gone, and years seem to go by, faster and faster. As usual, I must say, that I am pleased with the outcome of the past year. We have gained some Great New members to our Rec. Program. Some wonderful young people, and parents, coaches, volunteers and spectators. Each has wonderful things to add to our Seasons.

We were able to make some nice improvements to the Recreation Field. Including a New Back Stop, on Field # 2, Completion of New Dugouts, on Field #3, and Fencing and Gate repairs throughout the Facility. We also now have 1 set of Horse Shoe Pits in Operation again so grab your shoes, and go do a little “Pitching”. I say this annually, but all Citizens’ of Carmel, should find a way to enjoy this Facility, sometime throughout the year. It truly is an Amazing Addition to Our Community.

2010 had some improvement in participation in some programs, and reduction in others. An important thing that I would like to pass on... We never want a parent, to have to chose between providing for their family or providing an opportunity for their child. If you need assistance, or a waiver, please notify me, confidentially, and we can make an attempt to help provide an opportunity for your special one.

The Recreation Department is comprised of a Great combination of individuals. Together we have a Great Team, but are always looking for people to join us, and add your charisma to our programs. We are always looking for ways to improve our programs, and viability to Our Community. If you have any comments, or suggestions, contact me through our website; www.carmelrec.com or you can call me at any time, 356-4255. I welcome the conversation.

Finally, I must express my Annual “*Thank You*”, to everyone. I can not name all individually, not enough pages. I truly appreciate all of the

Rec. Committee Members, for your endless hours and contribution to your community. To all the Volunteers, who help us continuously. And to Our Town Officials, Office Personnel, and All of you, members of the "Carmel Family". Your kindness and giving will help create memories for a lifetime.

Everyone, Have a Safe, and Enjoyable 2011

Sincerely,

Aaron L. Hawes Sr.

TOWN HEALTH OFFICER REPORT

2010 proved to be a first for me as Town Nurse. It was reported someone was living in a building with no heat or electricity. I worked with them and a friend in finding them a suitable apartment they are able to maintain.

Later in the year I was involved with other town officials in having to inspect a home with the idea of having to condemn it.

I want to remind everyone to get your flu shot. This is the time of year the flu will come back for a second round. Also childhood diseases are on the rise, so be sure your children are protected. With any **emergency call 911**.

I'm available for questions you might have regarding town health issues at 848-3866

Respectfully submitted,

Gladys Swett
Town Health Officer

Carmel Senior Citizens

Our regular meetings are held on the 1st and 3rd Wednesday (except During Jan. and Feb.) of each month (weather permitting) at the **Golden Harvest Grange Hall at 928 Main Road. We have a potluck lunch at noon the first Wednesday, and eat out the third Wednesday, followed by a business meeting.**

Everyone over age 55 is welcome to attend. Dues are \$1.00 per month. When we go out to eat, the drivers who carpool receive \$5.00 and everyone receives \$5.00 toward their meal.

These are some of the eateries we visited in 2010: Anglers in Hampden and East Newport, Twin City Buffet in Brewer, Countryside in Corinth, Sunrise in St. Albans, Unity Restaurant in Unity. The Carmel Historical House hosted us in October with a very nice boiled dinner. We also held two potluck dinners at the grange hall with club buying the meat and the members providing the rest of the meal.

As part of the members' biographies, Mary Pike told hers in May. We are looking forward to others.

We were saddened by the passing of our member, Vivian Rines of Newburg.

Town Manager, Tom Richmond and Paul Whitney did a slide show of Labrador, at the April Meeting. It was a big hit with the members.

Playing Bingo is very popular, with players bringing in small prizes.

We donated to the Carmel Union Church Holiday Food Baskets, Golden Harvest Grange for use of the hall and the Carmel Historical House.

We thank the Town of Carmel of Carmel for its generous support.

Officers for 2011:

President	Patti Clement
Vice Pres	Gary Lowe
Secretary	Kay Marcoux
Treasurer	Frances Morrill
Chaplain	June Henderson
Card Chairman ..	Helen McDonald

American Legion Post #107

**Meetings: 3rd Thursday of the Month March-December at 7pm
Golden Harvest Grange Hall – 928 Main Road**

Greetings Fellow Carmel Residents:

Etna/Carmel American Legion Post 107 has had an eventful year. The post spent or donated approximately \$1,496 on local charities. To itemize: the post donated to the following organizations/projects: \$25.00 for the Carmel Elementary School for their One Book One School Program, \$500.00 to add four more names to the town memorial, \$25.00 to the Run For Fallen Warriors Program, \$25.00 to the Paralyzed Veterans Of America for their special Olympics, \$746.00 to replace town flags that were worn and no longer serviceable, \$75.00 for a Thanksgiving Gift Card, \$50.00 to the Bangor Troop Greeters and last but not least donated several dozen books to the Carmel Library.

Volunteer time wise (and this only touches the tip of the iceberg), Post 107 placed the flags throughout the town and cemeteries with the help of a volunteer and the Carmel Boy Scouts. There were a little over 300 flags and the help was much appreciated.

Post 107 participated in the Etna and Carmel Memorial Day parades as well as Carmel Days. (Who can say they didn't enjoy those beans?)

On the Legion front we hosted a meeting of the 13th District, which members throughout Maine attended. Two members of the post attended the State Convention in Bangor. The post acquired three new members but sadly lost a 25- year member in Bob Kelly. The final week in December we accomplished a task very few posts do and that is we reached 100%

membership. Thank you to all of our members that paid their dues to make this possible. All this being said and done the American Legion needs members: So many times I'm asked "Why should I belong to the American Legion?" In a nutshell, it is veterans still serving America. It's Americans taking care of Americans. Here are a few examples: Six million dollars in cash and goods to needy families and children, 3.8 million dollars in scholarships to deserving High School students, over 2 million hours and countless dollars in volunteering, as well as helping thousands of family members of military personnel with everyday needs from simple household needs to financial assistance.

If you would like to join the American Legion give me a call at 848-5614 or see Commander Julia Pike. Dues are still only \$23.00 a year.

Respectfully Submitted,

Don Candage
Post 107 Adjutant

Carmel Historical Society

**Our meetings are held the second Thursday of each month,
Except December, at the Paul Haskell Museum at 7PM.**

2010 proved to be a year of continuing improvements to our museum building. The basement was in such bad condition that there was no other recourse other than to correct the water problems before installing a new furnace. This took a great deal of time and effort though the summer. Thankfully, we now have a dry basement and a new furnace and fuel tank. The rewards are already evident in the amount of money it has saved to the building. Another replica was added to our collection, that of the Earl Garland Store in the village, now known as the Village Market. David Mahon created the replica to go alongside our other buildings.

We held a garage sale in the summer with goods supplied by one our members. It was very successful and later on he again offered us a 'porcelain doll collection' to raise funds. We were very fortunate to be contacted by someone in Vermont, and he offered us a 'goodly' sum for the entire collection. We were very fortunate to have that opportunity.

In August we returned to Carmel Days with our famous doughboys, hot dogs, French fries, and soda. This is our major fundraiser for the year, and we really put a lot of effort into

making it a success.

In November the 1st graders came to visit as part of their community project; they posed suitable questions and this was great fun for all. Hopefully they took away a small part of Carmel's history.

The senior citizens came for lunch in October, and were served a New England boiled dinner, as per their request. Our calendars for 2011 are celebrating Carmel's bicentennial year and we are featuring photos of our history.

In December we again hosted the folks who attended the Christmas tree lighting at Simpson Memorial Library, followed by a luminary walk to the Paul Haskell House, where the library and historical society served refreshments to those who came to visit. The museum was festively decorated and a large, lighted

Christmas tree was in the parlor for all to enjoy.

Our community service consisted of a Thanksgiving basket to a family who needed temporary assistance, and we also provided a Christmas food basket to a worthy family.

We always welcome new members. Drop in to *visit*; we would love to

share Carmel's history and would be interested in any information you would like to share. We are open for visits by appointment, call 848-7468.

Respectfully Submitted

Constance Graves, President

2011 TOWN WARRANT

State of Maine

Penobscot, ss

To: Julia Pike, a resident of the Town of Carmel, in the County of Penobscot.

Greetings:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Carmel, in said County and State, qualified by law to vote in Town affairs, to meet at the Golden Harvest Grange Hall, in said Town on Saturday, the 5th day of March, A.D. 2011, at ten o'clock in the forenoon, then and there to act upon Article 1, and by secret ballot on Article 2 as set out below, the polling hours therefore to be from ten o'clock in the forenoon until six o'clock in the evening;

And, to notify and warn said inhabitants to meet at the Carmel Elementary School Gymnasium in said Town on Monday, the 7th day of March 2011 A.D., at seven o'clock in the evening, then and there to act on Articles 3 through 32 as set out below, to wit:

ARTICLE 1. To elect a moderator to preside at said meeting and to vote by written ballot.

ARTICLE 2. To elect by ballot all necessary officers for the ensuing year, to wit: two Selectmen for three years and one Director for S.A.D. #23/RSU/ #87 for three years.

ARTICLE 3. To Choose, by ballot, three (3) members of the Budget Committee for three years.

ARTICLE 4. To see if the Town will vote to fix a date when taxes shall be due and payable, and to set a rate of interest to be paid after that date. Recommend 30 days from date of billing and 7.00% per year.

Selectmen "Yes"

Bud. Comm."Yes"

ARTICLE 5. To see if the Town will vote to authorize the tax collector or treasurer to accept prepayments of taxes not yet committed, pursuant to M.R.S.A. § 506.

Selectmen "Yes"

Bud. Comm."Yes"

ARTICLE 6. To see if the Town will vote to authorize the Selectmen, on behalf of the Town, to sell and dispose of real estate acquired by the Town for nonpayment of taxes thereon, on such terms as they deem advisable and to execute quit-claim deeds for such property.

Selectmen "Yes"

Bud. Comm."Yes"

ARTICLE 7. To see if the Town will vote to authorize the municipal officers to spend an amount not to exceed 3/12ths of the budgeted amount in each budget category of the 2011 annual budget during the period from January 1, 2012 to the 2012 annual town meeting.

Selectmen "Yes"

Bud. Comm."Yes"

ARTICLE 8. To see if the Town will vote to authorize the Selectmen to enter into multi-year contracts for such services as winter plowing and sanding, trash and recycling pickup, mowing and cemetery maintenance.

Selectmen "Yes"

Bud. Comm."Yes"

ARTICLE 9. To see if the Town will vote to have unexpended balances in the Town Accounts at the end of the year lapse to surplus except for those which remain by law or are deemed necessary by the Board of Selectmen to carry forward.

Selectmen "Yes"

Bud. Comm."Yes"

ARTICLE 10. To see if the Town of Carmel will vote to authorize the Selectmen or the Town Manager, acting in concurrence with said Selectmen, to apply for and/or accept and expend, on behalf of the Town, money from Federal, State and other governmental units or private sources which may be received from time to time in the form of Grants or any other source, during the period of March 7, 2011 until the next annual Town Meeting.

Selectmen "Yes"

Bud. Comm."Yes"

ARTICLE 11. To see if the Town of Carmel will vote to appropriate the money received from the State reimbursement for snowmobiles to the Carmel Snowmobile Club for the purpose of maintaining their snowmobile trails.

Selectmen "Yes"

Bud. Comm."Yes"

ARTICLE 12. To see if the Town of Carmel will vote to authorize the use of past and present revenue from ambulance billing to pay for equipment, stipends and training. Those accumulated funds can only be expended by mutual consent of both the Fire and Rescue Service and the Board of Selectmen.

Selectmen "Yes"

Bud. Comm."Yes"

ARTICLE 13. To see if the Town of Carmel will vote to authorize the use of revenue from Recreation Committee events to be expended to offset the costs of these and other recreational events and any revenue not expended at year's end be carried in the same account.

Selectmen "Yes"

Bud. Comm."Yes"

ARTICLE 14. To see if the Town will vote to raise **\$230,146.00** from taxation and transfer **\$89,650.00** from fee income for a total of **\$319,796.00** for the Administration Account.

Selectmen **\$230,146.00 Plus Income**

Bud. Comm. **\$230,146.00 Plus Income**

(see page #66 of town report for more info)

The logo for Carmel Oil Company features the word "CARMEL" in large, bold, outlined letters at the top. Below it, "OIL COMPANY" is written in a similar but smaller font. On either side of the text are illustrations of oil derricks. Below the main text, the phone numbers "848-9955 • 659-3835" are listed, followed by "24 Hour Burner Service & Delivery". At the bottom, it says "No Heat, Cleaning, Install we do it all!", "Plumbing, Pump Service & Automatic Service", and "We Accept LiHeap, MC/Visa, # 2 price 11/ 21 \$2.39 ga".
